PROGRAM

Why KICKcancER Movement?

Childhood cancer is the #1 leading cause of death by disease in children under 15 years old in the U.S.

In fact, each day 45 children are diagnosed with cancer.

12% of those diagnosed do not survive, and 60% of the children who survive cancer suffer late-effects, such as infertility, heart failure and secondary cancers.

What if we could better support our kids?

What if we could help them thrive during and after cancer treatment?

Let's KICKcancER together!

What is the KICKcancER Movement?

The KICKcancER Movement is a non-profit dedicated to helping families affected by childhood cancer THRIVE.

Our goal is to empower through education - teaching the importance of real food, real health and how to implement it into real life - both during and after treatment.

Believing that when you know better, you do better, we focus on educating in the areas of nutrition, detoxification, essential oils and cleaning up your environment.

Our Reach

Total Facebook Followers: 13,536

Total Instagram Followers: 7,100

THE PROGRAMS

KICKstart Kit: A care package for families who are interested in exploring and integrating some holistic methods while their children undergo treatment.

The kit includes supplies for safe and gentle detox, healthy snacks, custom essential oil blends and more!

30-Day Thrive: An online 30-day program that provides training and education from KICKcancerER founders on nutrition, detoxification, essential oils and cleaning up the environment.

The program includes a 30-day meal plan, video tutorials, and cheat sheets to help promote the ability to thrive through treatment.

KICKcancerER Athletes: A sponsorship program that encourages young cancer-fighting athletes to pursue their dreams and passions in the sport or activity that motivates them and their will to survive every single day!

KICKcancerER helps financially support athletes so they can continue to pursue their athletic dreams.
